

Statco, Inc. 401(k) Retirement Plan

“If you’re offered a **401(k)**, use it.”

...USA Today

“The **401(k)** is the one most desired by employees.”

...Wall Street Journal

“A **401(k)** gives you a terrific opportunity to save; contribute the maximum.”

...Money

“The most valuable savings incentive under the current law - and the most powerful - is the **401(k)**.”

...Fortune

Anyone who knows anything about financial matters will tell you that if you’ve got a 401(k) available, that is the first place you should put your money!

Stat-Tech is pleased to offer its employees a 401(k) Retirement Plan through American United Life. You will be able to defer a percentage of your salary into your own retirement account. Some of the features you will enjoy include:

- Twenty available investment options from leading mutual fund families including
 - * FIDELITY * VANGUARD * INVESCO *
 - * T. ROWE PRICE * AMERICAN CENTURY *
 - * CALVERT * AUL * PBHG * ALGER *
- Tax deferred savings and earnings
- 24-hour access to your account for balances, transfers and performance, via
 1. a toll-free, interactive voice response system – AUL TeleServe, and
 2. a secure internet account access program – AUL NetServe
- Educational information about investing through <http://www.aul.com/>
- Quarterly statements and newsletters
- The ease of payroll deductions

To see a demonstration of the AUL NetServe capabilities, you may log on to a demonstration site at the AUL website. The pathway is:
